

Prevention and Community Educator

Full-time Prevention and Community Educator position available at Womanspace. The Prevention and Community Educator will be responsible for providing domestic and sexual violence education and training to community and professional groups; co-leading the TEACH committee; partnering with schools/youth serving organizations to implement prevention programming; participation on the county youth services committee and assisting with the 80-hour Response Team training. Hours to be flexible based on programming needs.

Key candidates must have:

- Bachelor's degree in social science field or documented related experience
- Excellent working knowledge of domestic and sexual violence
- Excellent verbal, written communication and time management skills
- Experience in public speaking and training
- Strong computer skills
- Non-profit experience preferred

Compensation: The salary range is \$45,000- \$50,000 based on experience. Womanspace offers a comprehensive benefit package that includes vacation leave, paid holidays, and paid absence; excellent medical and dental insurance with Womanspace paying 100% of employee premiums; and 401K contribution after one year of service.

Interested candidates should send their resume to Alison Daks- sass@womanspace.org
